Questions About Buying

[^]During checkout when you provide your card or account information, we'll display all your EMI[®] options, including No Cost EMI[®] and instant cashback^{§§} as available.

No Cost EMI and instant cashback will be deducted from the order total, reducing the amount to be financed. Minimum order value must be met. Offers vary by bank. Subject to terms and conditions.

EMI rates are determined by your bank. No Cost EMI and instant cashback offers are determined by Apple and our banking partners. Note that you cannot combine offers from multiple banks in the same order, and all items in an order will be set to the same number of instalments.

^{¶¶} Monthly pricing is after purchase using EMI with qualifying cards at 15.99% p.a. over a 6-month tenure. Monthly pricing is rounded to the nearest rupee. Exact pricing will be provided by your card issuer, subject to your card issuer's terms and conditions.

[§] No Cost EMI is available with the purchase of an eligible product made using qualifying cards on 3- or 6-month tenures from most leading card issuers. Monthly pricing is rounded to the nearest rupee. Exact pricing will be provided by your card issuer, subject to your card issuer's terms and conditions. Minimum order spend applies as per your card issuer's threshold. Any subsequent order adjustment(s) or cancellation(s) may result in instant cashback being recalculated, and any refund may be adjusted to account for instant cashback clawback; this may result in no refund being made to you. Offer may be revised or withdrawn at any time without any prior notice. [Additional terms apply.](#) Instant cashback is not available to Business customers and cannot be combined with Apple Store for Education or Corporate Employee Purchase Plan pricing.
