Personnel Number

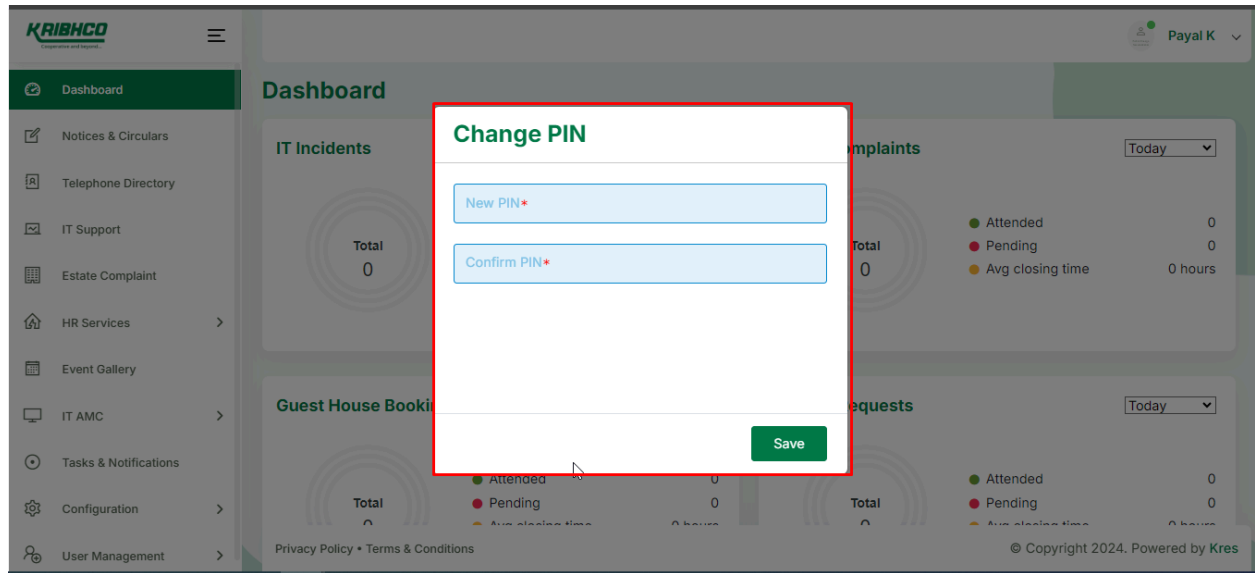

PIN ☐

[Forgot PIN?](#)

Login

- ❖ Users need to enter their personnel number and a 6-digit PIN to log into the system.
- ❖ When users log in for the first time, they need to enter their personal number as the PIN.

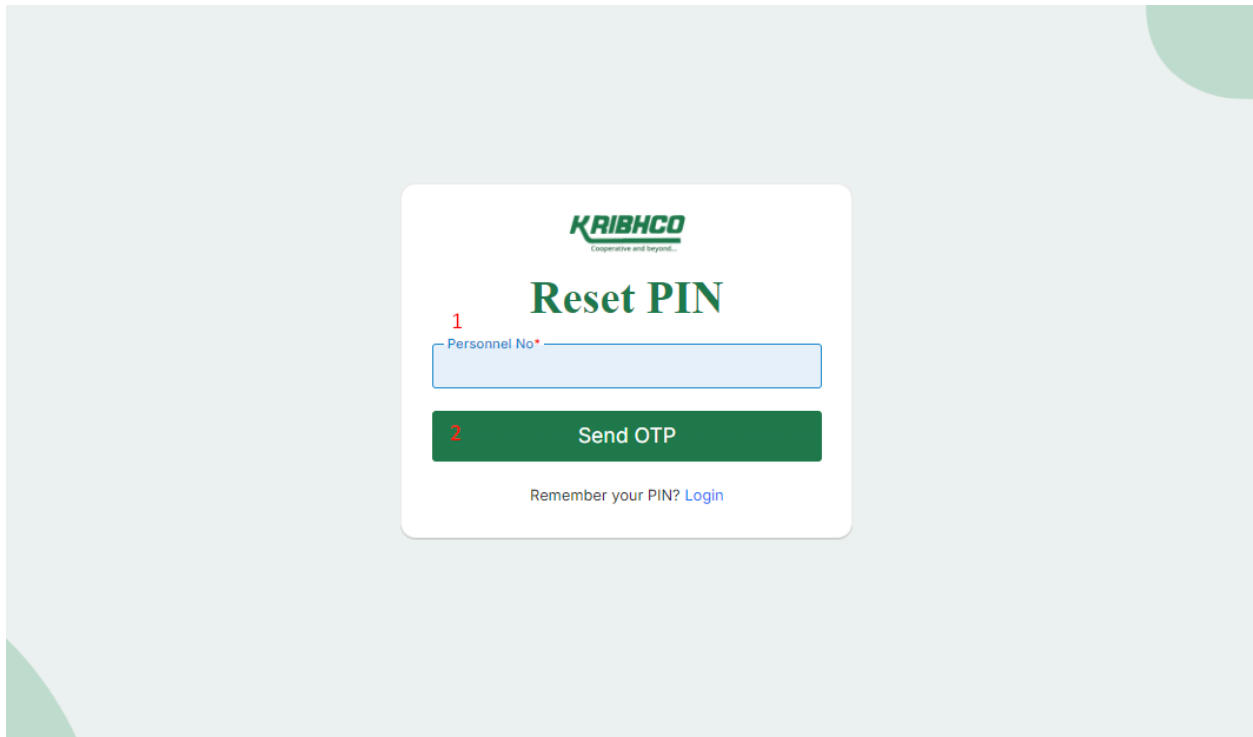

1.2 Change PIN screen after login first time:

The screenshot shows the KRIHCO dashboard interface. A modal titled "Change PIN" is centered on the screen, outlined with a red border. The modal contains two input fields: "New PIN" and "Confirm PIN", both with red asterisks indicating required fields. A green "Save" button is located at the bottom right of the modal. The background dashboard is dimmed and shows various sections: a left sidebar with navigation links (Dashboard, Notices & Circulars, Telephone Directory, IT Support, Estate Complaint, HR Services, Event Gallery, IT AMC, Tasks & Notifications, Configuration, User Management), a top header with the KRIHCO logo and a user profile "Payal K", and main content areas for "IT Incidents", "Complaints", "Guest House Bookings", and "Requests". Each of these main areas displays a "Total" count of 0 and a status legend with "Attended" (green dot), "Pending" (red dot), and "Avg closing time" (yellow dot).

- ❖ Upon the user's first login with their Personnel number, a "Change PIN" pop-up will appear. The user must update their PIN, which can be up to 6 digits long.
- ❖ The user cannot perform any actions within the software until the PIN is changed.

1.3 Forgot PIN:

Cooperative and beyond...

Reset Pin

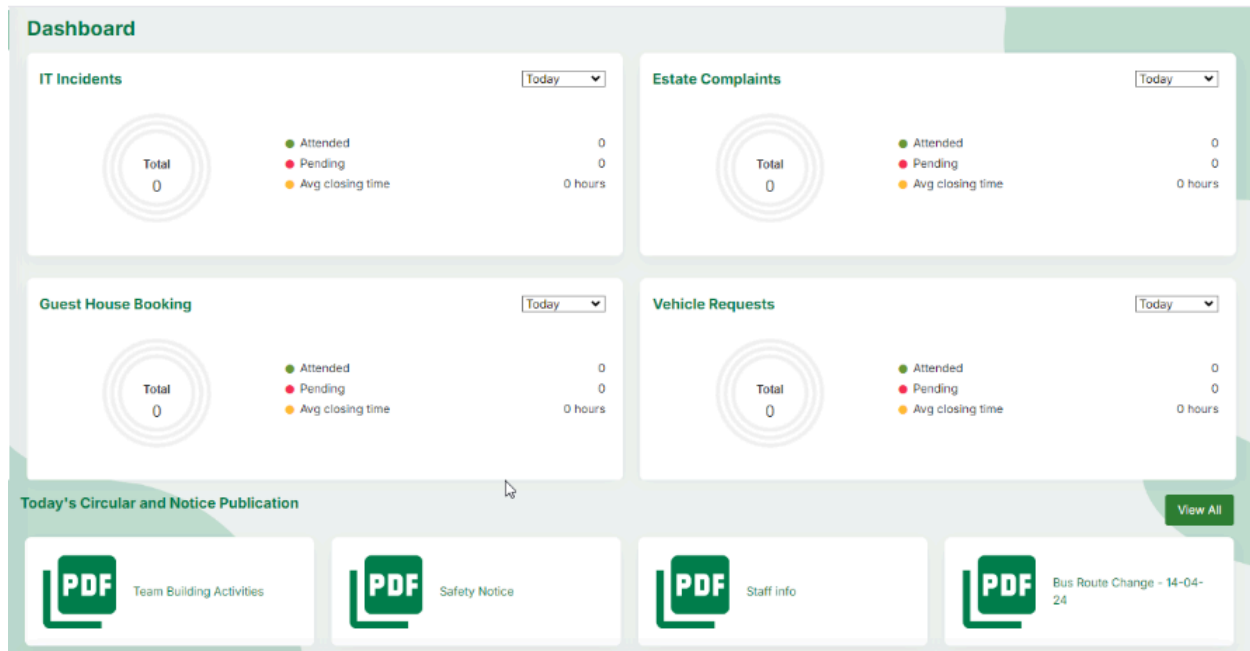

Enter New Pin*

Re Enter Pin*

Reset Pin

- ❖ Users can set a new PIN by clicking the "Forgot PIN" link.
- ❖ Here, they need to enter their registered mobile number and click "Send OTP." An OTP will be sent to their registered mobile number.
- ❖ After entering the OTP, the user can reset their PIN.

1.5 Dashboard Page:

- ❖ After logging into the system, the user is redirected to the Dashboard page.
- ❖ On the dashboard page, users can view the count of attended, pending, and average closing times for complaints and requests they have made. These metrics can be filtered by "Today," "This Month," and "This Year."
- ❖ The left panel menu will be based on the user's permissions. Since the current user is an admin, they have full access to the system.

2. Master Configurations:

2.1 Estate Category:

The screenshot displays the KRIHCO system interface. On the left sidebar, the 'Configuration' menu is expanded, and 'Estate Category' is selected. The main content area is titled 'Categories' and features a search bar, a 'Filters' button, and a table of category records. The table has columns for 'Category Status', 'Category Order', 'Category Name', 'Main Category Name', and 'Created On'. Each row includes action buttons for 'Add', 'Edit', 'View', and 'Delete'. The 'Add Category' button is highlighted in the top right corner. The first row of the table is highlighted, and its 'Edit', 'View', and 'Delete' buttons are also highlighted.

1	2	Category Status	Category Order	Category Name	Main Category Name	Created On	3
		Active	28	Maintaining	House Keeping	25/01/2024	
		Active	27	Waste Management	House Keeping	25/01/2024	
		Active	26	Room Setup	House Keeping	25/01/2024	
		Active	25	Cleaning	House Keeping	25/01/2024	
		Active	24	Chemical Application	Pest control	25/01/2024	
		Active	23	Circuit Installation	Electrical	25/01/2024	
		Active	22	Rough Wiring	Electrical	25/01/2024	
		Active	21	Painting	Civil	25/01/2024	
		Active	20	Ventilation	Civil	25/01/2024	

Privacy Policy • Terms & Conditions © Copyright 2024. Powered by Kres

- ❖ The user can navigate to the Estate Category list page by clicking on the "Estate Category" menu under the configuration section.
- ❖ The user can add a record by clicking the highlighted "Add Category" button (1).
- ❖ To edit a record, click the "Edit" button(2).
- ❖ To view a record, click the "View" button(3).
- ❖ To delete a record, click the "Delete" button(4).

2.2 Add Category Page:

The screenshot shows the 'Add Category' page. A modal form is open with the following fields:

- Category Order*
- Category Code*
- Category Name*
- Main Category Name (dropdown menu with 'Select main category name' as the placeholder)

At the bottom of the modal, there are 'Cancel' and 'Add' buttons. The 'Add' button is highlighted with a red box and labeled '3'.

In the background, there is a table with the following columns: Main Category Name, Created On, and an action icon (trash). The table contains several rows of data, including 'House Keeping', 'Pest control', 'Electrical', and 'Civil'.

- ❖ Click the "Add Category" button to open the pop-up.
- ❖ The user will enter the Category order, Category Code, Category Name and Click "Add" to submit the record.
- ❖ The "Main Category Name" field is optional. If users select a main category, the added category will become a subcategory.
- ❖ The Category code must be unique.
- ❖ The added Category will then be populated on the "Estate Complaint" page.

- ❖ The user can access the Guest house type list page by selecting the "Guest house Type" menu under the Configuration section.
- ❖ To add a record, click the highlighted "Add Guest House Type" button (1).
- ❖ To edit a record, click the "Edit" button (2).
- ❖ To view a record, click the "View" button (3).
- ❖ To delete a record, click the "Delete" button (4).

2.6 Add Guest House Type page :

- ❖ Click the "Add Guest House Type" button to open the pop-up.
- ❖ The user must enter a Guest House type Order & Name and then click "Save" to submit the record.
- ❖ The added Guest House Type will be displayed on the "Guest House Request" page.

3. User Management:

3.1 Employee Listing Page:

The screenshot shows the KRIHCO Employee Listing Page. The sidebar on the left has 'User Management' and 'Employee' highlighted. The main content area displays a table of employees. The first row is highlighted, and the 'Edit' (1) and 'View' (2) buttons are circled in red. The table lists 10 employees, with one marked as 'Inactive'.

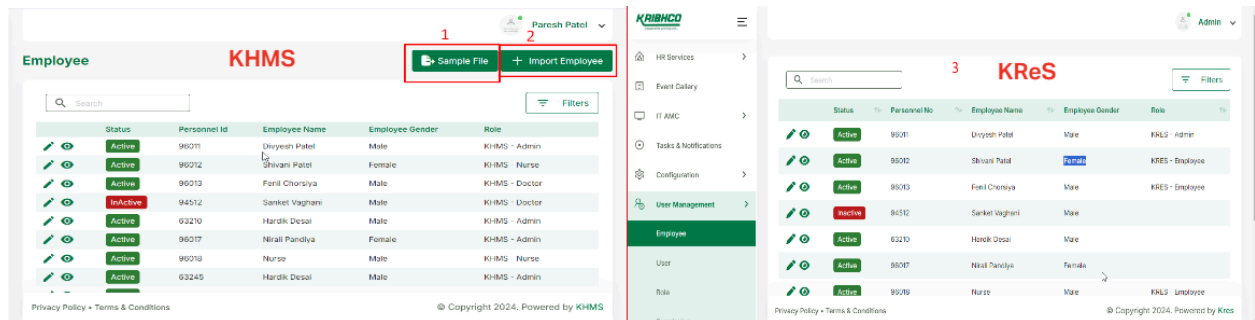

1	2	Status	Personnel No	Employee Name	Employee Gender	Role

Privacy Policy • Terms & Conditions © Copyright 2024. Powered by Kres

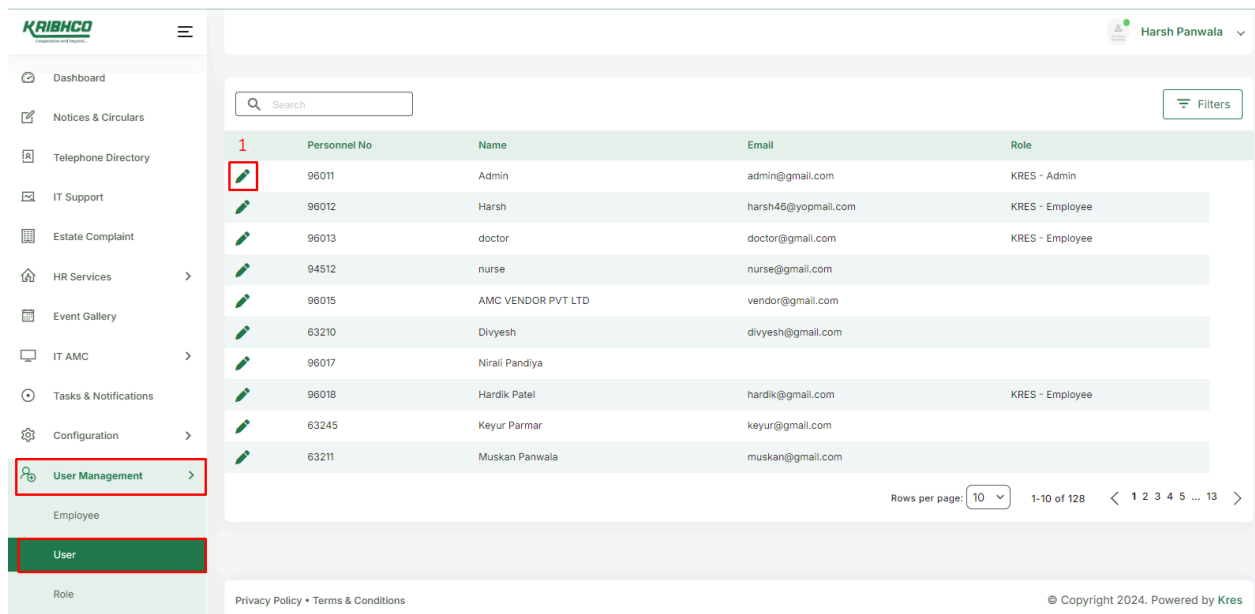

- ❖ The user can access the Employee page by selecting the "Employee" option under the User Management section.
- ❖ The users uploaded will be listed here.
- ❖ To edit a record, click the "Edit" button (1). Clicking the edit button allows the user to modify a specific user role.
- ❖ To view a record, click the "View" button (2).

3.2 Import Employee:

- ❖ The user can download a sample file format by clicking on the "Sample File" button (1) in KHMS.
- ❖ To upload a file, the user should click on the "Import Employee" button and then click the "Save" button (2) in KHMS.
- ❖ The employee list in KReS will be sourced from KHMS, where users can add employees using the "Import Employee" feature.
- ❖ Uploaded employees will be displayed in KReS, allowing the user to assign roles to them.

3.3 User Listing Page:

- ❖ The user can access the Users page by selecting the "Users" option under the User Management section.
- ❖ The users added in the Employee menu will be displayed on the Users List page. A user will only appear on this list if they have been assigned a role in the "Employee" menu.
- ❖ To edit a specific user's rights, click the "Edit" button (1).

3.4 Edit User Permission Page:

- ❖ The user can navigate to the "Edit User Permissions" page by clicking the "Edit" button on the Users page.
- ❖ To grant or revoke all rights for a specific menu, the user can check or uncheck the checkbox under that menu (2).
- ❖ Permissions for a specific module or all modules can be updated by individually checking or unchecking the Add, Update, Delete, and View rights (3).
- ❖ The corresponding menu will be shown or hidden for the user based on the assigned permissions.

3.5 Role Listing Page:

The screenshot shows the KRIBHCO Role Listing Page. The left sidebar contains a menu with the following items: Dashboard, Notices & Circulars, Telephone Directory, IT Support, Estate Complaint, HR Services, Event Gallery, IT AMC, Tasks & Notifications, Configuration, User Management, Employee, User, and Role. The 'User Management' menu item is highlighted with a red box, and the 'Role' option at the bottom is also highlighted with a red box. The main content area displays a table of roles with the following columns: Role ID, Role Status, Role Name, and Created On. Two roles are listed: 'KRES - Admin' and 'KRES - Employee', both with 'Active' status. The 'Edit' button (1) and 'View' button (2) for the first role are highlighted with red boxes. The bottom of the sidebar shows 'Employee', 'User', and 'Role' options, with 'Role' selected.

- ❖ The user can access the Permission page by selecting the "Permission" option under the User Management section.
- ❖ First, the user must select the role for which permissions need to be updated (1).
- ❖ The user can check or uncheck the checkbox under a menu to grant or revoke all rights for that specific menu (2).
- ❖ The user can individually check or uncheck the Add, Update, Delete, and View rights to update permissions for a specific module or all modules (3).
- ❖ Based on the assigned permissions, the corresponding menu will be shown or hidden for that particular role.

4. Telephone Directory:

4.1 Telephone Directory list Page:

The screenshot displays the KRIBHCO system interface. On the left is a sidebar with navigation links: Dashboard, Notices & Circulars, Telephone Directory (highlighted with a red box), IT Support, Estate Complaint, HR Services, Event Gallery, IT AMC, Tasks & Notifications, Configuration, and User Management. The main content area is titled 'Telephone Directory' and features a tab labeled 'Employee Numbers' (annotated with a red '1'). Below the tab is a search bar (annotated with a red '2') and a table of employee details. The table has columns for Employee Name, Employee Department Name, Office Intercom No, Res Intercom No, Mobile No, Employee Quarter No, and Employee Email. The table lists 12 employees. At the bottom right, there is a pagination control showing 'Rows per page: 10' and '1-10 of 101'. The footer includes 'Privacy Policy • Terms & Conditions' and '© Copyright 2024. Powered by Kres'.

- ❖ The user can navigate to the Notices & Circular list page by selecting the "Notices & Circulars" menu.
- ❖ To add a record, click the highlighted "Add Notice / Circulars" button (1).
- ❖ To edit a record, click the "Edit" button (2).
- ❖ To view a record, click the "View" button (3).
- ❖ To delete a record, click the "Delete" button (4).

5.2 Add Notices & Circular list Page:

The screenshot displays the "Add Notice / Circulars" form within a web application. The form is titled "Add Notice / Circulars" and features a close button (X). It includes the following fields and elements:

- Title***: A text input field.
- Type***: A dropdown menu with the option "Select type".
- Applicable Date***: A date picker field showing "dd-mm-yyyy".
- Detail**: A large text area for additional information.
- Choose File**: A button to upload a file, currently showing "No file chosen".
- Buttons**: "Cancel" and "Add" buttons at the bottom right of the form. The "Add" button is highlighted with a red box and labeled with a red "3".

Additional UI elements include a sidebar with "Admin" and "Filters" buttons, a table with dates, and a footer with "Privacy Policy • Terms & Conditions" and "© Copyright 2024. Powered by Kres".

- ❖ The user can access the "Add Add Notice / Circulars" page by clicking the "Add Add Notice / Circulars" button.
- ❖ The user must enter all the required information first.
- ❖ The user can select the type as either "Notice" or "Circular."
- ❖ The user can upload an image by clicking on the "Choose File" field.
- ❖ Click the "Save" (4) button to submit the data.

6. Event Gallery:

6.1 Event Gallery List Screen:

The screenshot shows the 'Event Gallery' list screen. The sidebar on the left contains the following menu items: Dashboard, Notices & Circulars, Telephone Directory, IT Support, Estate Complaint, HR Services, **Event Gallery** (highlighted), IT AMC, Tasks & Notifications, Configuration, and User Management. The main content area is titled 'Event Gallery' and features a search bar and a '+ Add Event Gallery' button (labeled 1). Below this is a table with columns: Status, Event Name, Event Date, and Event End Date. The table contains eight records, all with a status of 'Active'. Each record has three action icons: a pencil (labeled 2), an eye (labeled 3), and a trash can (labeled 4). The footer of the page includes 'Privacy Policy • Terms & Conditions' and '© Copyright 2024. Powered by Kres'.

- ❖ The user can navigate to the IT Incident screen by selecting the "IT Support" option.
- ❖ The user can add a record by clicking the highlighted "Add Incident" button (1).
- ❖ To edit a record, click the "Edit" button (2).
- ❖ To view a record, click the "View" button (3).
- ❖ To delete a record, click the "Delete" button (4).
- ❖ To export the data, click the "Export" button (5).

7.2 Add IT Incident Page:

The screenshot shows the 'Add Incident' page in the KRISHCO system. The sidebar on the left contains navigation links: Dashboard, Notices & Circulars, Telephone Directory, IT Support (highlighted), Estate Complaint, HR Services, Event Gallery, IT AMC, Tasks & Notifications, Configuration, and User Management. The main content area is titled 'Add Incident' and contains the following form fields:

- Complaint Registered By***: A dropdown menu showing '96011 - Admin'.
- Machine Code***: A dropdown menu showing '24X001'.
- Assign To Person**: A text field containing 'Muskan Panwala'.
- Location**: A text field containing 'LAB CABIN'.
- Model Code**: A text field containing 'C1 - Cartist'.
- Incident Type***: A dropdown menu showing 'Select Incident Type'.
- Incident Files**: A file upload area with 'Choose Files' and 'No file chosen' buttons.
- Complaint Description***: A large text area for entering the incident details.

At the bottom right of the form, there are two buttons: 'Cancel' and 'Save'. The 'Save' button is highlighted with a red box labeled '2'.

- ❖ The user can navigate to the "Add Incident" page by clicking the "Add Incident" button.
- ❖ The user must first enter all the required information.
- ❖ In the "Complaint Registered By" field, the default display will be the logged-in user's name, which can be changed if needed.
- ❖ The machine code is retrieved from the Hardware Menu under the Master -> IT AMC. To select hardware, the user must enter the first three digits of the machine code, after which a related list will be displayed. The machine information will appear based on the selected machine code.
- ❖ Users can upload images in JPEG, JPG, PNG, GIF, or SVG formats.
- ❖ Click "Save" to submit the details.
- ❖ Once the incident is created, its status will be set to "Open."

7.3 Edit IT Incident Page:

Edit Incident

- ❖ The user can access the "Edit Incident" page by clicking the "Edit" button.
- ❖ On the edit page, complaint information, engineer details, and machine information will be displayed.
- ❖ The engineer or admin can modify the engineer's code and name.
- ❖ The expected completion time will be displayed based on the complaint type.
- ❖ The user can update the status to "In Progress" once work on the complaint has started, or to "Closed" once the complaint is resolved.
- ❖ Click "Save" to submit the updated details.

8. Estate Complaint:

8.1 Estate Listing Page:

The screenshot displays the 'Estate Complaint' management interface. The left sidebar contains navigation links: Dashboard, Notices & Circulars, Telephone Directory, IT Support, **Estate Complaint** (highlighted), HR Services, Event Gallery, IT AMC, Tasks & Notifications, Configuration, and User Management. The top header shows the user 'Admin' and two action buttons: '+ Add Complaint' (labeled 1) and 'Export' (labeled 5). The main content area is titled 'Complaint' and features a search bar and a 'Filters' button. Below this is a table of complaint records. The first row of the table has several icons highlighted: an edit icon (labeled 2), a view icon (labeled 3), and a delete icon (labeled 4). The table columns are: Status, Complaint No., Qtr / Build No., Estate Type, Complaint Added By, Work Requested, Complaint Date, and Category. The records show various complaint statuses like 'Open', 'Closed', 'Inprogress', and 'Open'.

Status	Complaint No.	Qtr / Build No.	Estate Type	Complaint Added By	Work Requested	Complaint Date	Category
Open	E00027	6	Public	96027-Raj	Box	15/04/2024	Electrical
Closed	E00026	6	Personal	33018-neha Mehta	Kk	12/04/2024	Electrical
Open	C00048	4	Public	11013-Krish Patel	Please Check	08/04/2024	Civil
Open	C00047	10	Public	96012-Muskan Panwala	new	05/04/2024	Civil
Open	C00046	10	Public	63245-Keyur Parmar	new	05/04/2024	Civil
Inprogress	P00004	a(6)	Personal	96027-Raj	From Camera	05/04/2024	Pest control
Closed	H00005	A/67	Public	96027-Raj	Image From Camera	05/04/2024	House Keeping
Open	C00043	10	Personal	96012-Muskan Panwala	new	03/04/2024	Civil
Open	H00004	15	Public	96011-Admin	Leakage of Water in kitchen	01/04/2024	House Keeping

- ❖ The user can navigate to the Estate Complaint screen by selecting the "Estate Complaint" option.
- ❖ The user can add a record by clicking the highlighted "Add Complaint" button (1).
- ❖ To edit a record, click the "Edit" button(2).
- ❖ To view a record, click the "View" button(3).
- ❖ To delete a record, click the "Delete" button(4).
- ❖ To export the data, click the "Export" button(5).

8.2 Add Estate Complaint Page:

The screenshot shows the 'Add Complaint' form. A red box labeled '1' encloses the main input area, which includes:

- Complaint Registered By***: A dropdown menu showing '96011 - Admin' with a close icon (x) and a dropdown arrow (v).
- Complaint Category***: A dropdown menu with the text 'Select Complaint Category' and a dropdown arrow (v).
- Complaint Sub Category***: A dropdown menu with the text 'Select Complaint Sub Category' and a dropdown arrow (v).
- Estate Type***: A dropdown menu with the text 'Select Estate Type' and a dropdown arrow (v).
- Quater / Building No***: A text input field.
- Preferred Service Time**: A text input field.
- Complaint Images**: A file upload area with a 'Choose Files' button and the text 'No file chosen'.
- Description of Complaint***: A large text area for the complaint description.

Below the input area, there are two buttons: 'Cancel' and 'Save'. The 'Save' button is highlighted with a red box labeled '2'.

At the bottom of the page, there is a footer with the text 'Privacy Policy • Terms & Conditions' on the left and '© Copyright 2024. Powered by Kres' on the right.

- ❖ The user can access the "Add Complaint" page by clicking the "Add Complaint" button.
- ❖ The user must enter all the required information.
- ❖ The "Complaint Registered By" field will default to the logged-in user's name, which can be modified if necessary.
- ❖ The Complaint Category and Subcategory will be populated from the Estate category in the configuration menu.
- ❖ The Estate Type will be populated from the Estate type in the configuration menu.
- ❖ Users can upload images in JPEG, JPG, PNG, GIF, or SVG formats.
- ❖ Click "Save" to submit the details.
- ❖ Once the complaint is created, its status will be set to "Open."

11. IT AMC:

11.1 Device List Screen:

The screenshot shows the KRBHCO IT AMC Device List Screen. The sidebar menu on the left has 'IT AMC' and 'Masters' highlighted. The 'Device' option is selected under 'Masters'. The main area displays a table of devices with columns for Device Status, Device Code, Device Name, Device Order, Device Count, and Created On. The 'Add Device' button is highlighted in the top right corner. The table lists five devices: Cable, MONITOR DISPLAY, Xerox, COMPUTER DESKTOP, and LAPTOP, all with an 'Active' status. The 'Delete' button is highlighted for the first device.

Device Status	Device Code	Device Name	Device Order	Device Count	Created On
Active	Q	Cable	1	2	07/06/2024
Active	Z	MONITOR DISPLAY	1	2	31/05/2024
Active	X	Xerox	1	1	12/06/2024
Active	C	COMPUTER DESKTOP		508	30/05/2024
Active	H	LAPTOP		28	30/05/2024
Active	K	MULTI MEDIA DEVICE		144	30/05/2024

- ❖ The user can access the Device screen by selecting the "Device" option within the Masters menu, located under the IT AMC menu.
- ❖ The user can add a record by clicking the highlighted "Add Device" button (1).
- ❖ To edit a record, click the "Edit" button(2).
- ❖ To view a record, click the "View" button(3).
- ❖ To delete a record, click the "Delete" button(4).

11.2 Add Device Screen:

The screenshot displays the 'Add Device' modal form. The form contains three input fields: 'Device Code*' (highlighted with a red box and labeled '2'), 'Device Name*' (highlighted with a red box and labeled '2'), and 'Device Order' (highlighted with a red box and labeled '3'). Below the input fields are two buttons: 'Cancel' and 'Add'. The 'Add' button is highlighted with a red box and labeled '3'. In the top right corner of the application, there is a user profile icon labeled 'Admin' and a green button labeled '+ Add Device' highlighted with a red box and labeled '1'. The background shows a table of existing devices with columns for Order, Device Count, and Created On.

Order	Device Count	Created On
2	07/06/2024	
2	31/05/2024	
1	12/06/2024	
508	30/05/2024	
28	30/05/2024	
144	30/05/2024	

- ❖ The user can access the "Add Device" page by clicking the "Add Device" button.
- ❖ The user must enter all the required information.
- ❖ The added device will be displayed when adding hardware.
- ❖ Click "Save" to submit the details.

- ❖ The user can access the System screen by selecting the "System" option within the Masters menu, located under the IT AMC menu.
- ❖ The user can add a record by clicking the highlighted "Add System" button (1).
- ❖ To edit a record, click the "Edit" button(2).
- ❖ To view a record, click the "View" button(3).
- ❖ To delete a record, click the "Delete" button(4).

11.4 Add System Screen:

The screenshot displays the 'Add System' modal form. The modal is titled 'Add System' with a red '2' next to it. It contains four input fields: 'Device' (a dropdown menu with 'Select Device Name' and a red asterisk), 'System Code' (a text field with a red asterisk), 'System Name' (a text field with a red asterisk), and 'System Order' (a text field). At the bottom of the modal are 'Cancel' and 'Add' buttons, with a red '3' next to the 'Add' button. The background shows a 'Systems' page with a table of system orders and a '+ Add System' button in the top right corner, which is also highlighted with a red box and a red '1'.

- ❖ The user can access the "Add System" page by clicking the "Add System" button.
- ❖ The user must enter all the required information.
- ❖ The system is linked to a specific device.
- ❖ The added system will be displayed when adding hardware.
- ❖ Click "Save" to submit the details.

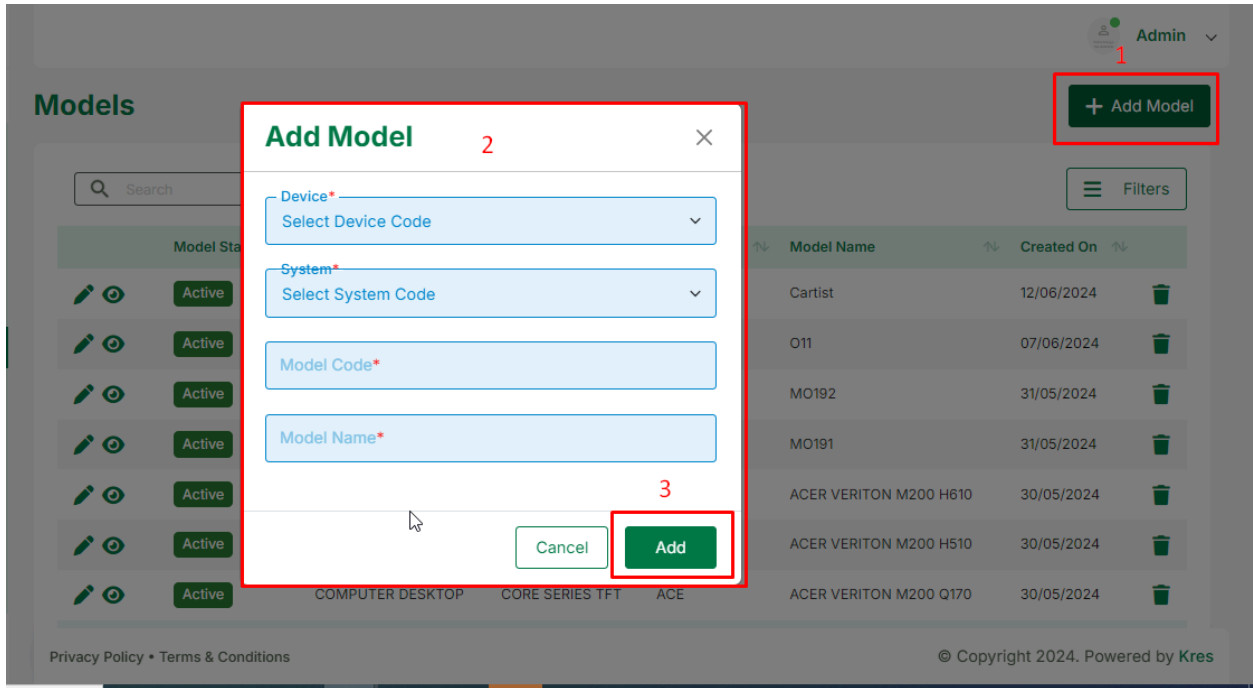

11.5 Model List Screen:

The screenshot shows the KRIHCO Model List Screen. The sidebar menu on the left includes 'IT AMC' and 'Masters'. The 'Masters' menu is expanded, showing 'Device', 'System', 'Model' (selected), 'Department', 'Vendor', 'Hardware', 'Transaction', and 'Reports'. The main area is titled 'Models' and contains a table of model records. The table has columns for Model Status, Device Name, System Name, Model Code, Model Name, and Created On. The first row of data is highlighted. Red boxes and numbers 1-4 indicate key UI elements: 1. '+ Add Model' button, 2. Edit icon, 3. View icon, and 4. Delete icon.

- ❖ The user can access the Model screen by selecting the "Model" option within the Masters menu, located under the IT AMC menu.
- ❖ The user can add a record by clicking the highlighted "Add Model" button (1).
- ❖ To edit a record, click the "Edit" button(2).
- ❖ To view a record, click the "View" button(3).
- ❖ To delete a record, click the "Delete" button(4).

11.6 Add Model Screen:

The screenshot displays the 'Add Model' screen. A modal form titled 'Add Model' is centered, containing four required fields: 'Device' (dropdown), 'System' (dropdown), 'Model Code' (text), and 'Model Name' (text). At the bottom of the modal are 'Cancel' and 'Add' buttons. The background shows a list of existing models with columns for 'Model Name' and 'Created On'. Red annotations highlight the 'Add Model' button (1), the modal form (2), and the 'Add' button (3).

Model Name	Created On
Cartist	12/06/2024
O11	07/06/2024
MO192	31/05/2024
MO191	31/05/2024
ACER VERITON M200 H610	30/05/2024
ACER VERITON M200 H510	30/05/2024
ACER VERITON M200 Q170	30/05/2024

- ❖ The user can access the "Add Model" page by clicking the "Add Model" button.
- ❖ The user must enter all the required information.
- ❖ The model is linked to a specific device and system.
- ❖ The added model will be displayed when adding hardware.
- ❖ Click "Save" to submit the details.

11.7 Department List Screen:

The screenshot shows the Kribhco Department List Screen. The sidebar menu on the left includes 'IT AMC' and 'Masters' (highlighted with a red box). The main content area is titled 'Department' and features a search bar and a 'Filters' button. A table lists departments with columns: Status, Group, Code, Department, and Location Name. Red boxes and numbers highlight specific elements: 1. '+ Add Department' button, 2. Edit icon, 3. View icon, 4. Delete icon.

Status	Group	Code	Department	Location Name
Active	EL	MW	MECHANICAL-W/S	AC WORKSHOP
Active	AD	MS	MS-MANAGEMENT SERVICES	ADM BUILD ROOF
Active	AD	FA	FINANCE & ACCOUNTS	AMARENDRA VISHNU CUSTODY
Active	AD	MS	MS-MANAGEMENT SERVICES	AMC ROOM
Active	AD	VM	V MS- SPARE	AMC ROOM
Active	AM	A1	PRODUCTION-AMMONIA-I	AMM 1 CABIN
Active	AM	IA	INSTRUMENT-AMMONIA	AMM 1 CONTROL ROOM

- ❖ The user can access the Department screen by selecting the "Department" option within the Masters menu, located under the IT AMC menu.
- ❖ The user can add a record by clicking the highlighted "Add Department" button (1).
- ❖ To edit a record, click the "Edit" button(2).
- ❖ To view a record, click the "View" button(3).
- ❖ To delete a record, click the "Delete" button(4).

11.8 Add Department Screen:

The screenshot shows a web application interface for managing departments. In the top right corner, there is a user profile icon labeled 'Admin' and a red number '1' next to it. Below this is a green button labeled '+ Add Department', also marked with a red number '1'. The main content area is titled 'Department'. A modal window titled 'Add Department' is open in the center, marked with a red number '2'. This modal contains four input fields: 'Department Code*' (required), 'Location Name*' (required), 'Parent Department Name' (a dropdown menu with 'Select Area Name' as the current selection), and 'Department Group*' (required). At the bottom right of the modal, there are two buttons: 'Cancel' and 'Add', with the 'Add' button marked with a red number '3'. The background shows a list of existing departments with icons for each, including 'HOP', 'ROOF', 'VISHNU CUSTODY', and 'AMM 1 CONTROL ROOM'. The footer contains 'Privacy Policy • Terms & Conditions' and '© Copyright 2024. Powered by Kres'.

- ❖ The user can access the "Add Department" page by clicking the "Add Department" button.
- ❖ The user must enter all the required information.
- ❖ If the user adds a location without selecting a parent department, the added location will automatically become the parent department.
- ❖ If the user adds a location name and selects a parent department, the location will be categorized under that parent department.
- ❖ The added department will be displayed when adding hardware.
- ❖ Click "Save" to submit the details.

11.9 Vendor List Screen:

- ❖ The user can access the Vendor screen by selecting the "Vendor" option within the Masters menu, located under the IT AMC menu.
- ❖ The user can add a record by clicking the highlighted "Add Vendor" button (1).
- ❖ To edit a record, click the "Edit" button(2).
- ❖ To view a record, click the "View" button(3).
- ❖ To delete a record, click the "Delete" button(4).

11.10 Add Vendor Screen:

The screenshot shows the 'Add Vendor' screen. At the top right, there is a user profile icon and the text 'Admin' with a dropdown arrow. The main form area is titled 'Add Vendor' and is enclosed in a red box labeled '1'. The form contains the following fields:

- Vendor Code*** (blue input field)
- Vendor Name*** (blue input field)
- Address** (white input field)
- Mobile** (white input field)
- Email Id** (white input field)
- ☐ **Default Vendor?**

At the bottom right of the form, there are two buttons: **Cancel** and **Save**. The **Save** button is highlighted with a red box labeled '2'.

- ❖ The user can access the "Add Vendor" page by clicking the "Add Vendor" button.
- ❖ The user must enter all the required information.
- ❖ The added Vendor will be displayed when adding hardware.
- ❖ Click "Save" to submit the details.

- ❖ The user can navigate to the "Edit Hardware" page by clicking the "Edit" button.
- ❖ The user can access the "Action" tab by selecting it under "Edit Hardware."
- ❖ The "Action" tab displays a list of all actions taken on the specific hardware.
- ❖ The user can add a new action by clicking the "Add New" button.
- ❖ The user can edit or delete only the most recently added action.
- ❖ To view a record, click the "View" button.

11.15 AMC Rate List:

The screenshot displays the KriBHCO AMC Rate List interface. The left sidebar contains a navigation menu with the following items: IT Support, Estate Complaint, HR Services, Event Gallery, IT AMC (highlighted), Masters, Transaction (highlighted), AMC Rate (highlighted), AMC Bill, Reports, Tasks & Notifications, Configuration, and User Management. The main content area features a header with filters for 'AMC Year' (set to 2024) and 'Vendor' (set to VE026 - SILVER TOUCH TECH.). Below the filters are buttons for 'Export', 'Update AMC Details', 'Sample File', 'Import AMC Rate', and 'Add AMC Rate'. A table lists the AMC Rate entries with columns for 'AMC Rate Status', 'AMC Year', 'Vendor', 'Device', 'System', 'Model', 'Rate', and 'Created On'. The table contains six rows of data, each with an 'Active' status and a 'Created On' date of 31/05/2024. The table also includes an 'Edit' button (7) and a 'Delete' button (9) for each row. The footer of the page includes a 'Privacy Policy' link, 'Terms & Conditions', and a copyright notice for 2024, powered by Kres.

AMC Rate Status	AMC Year	Vendor	Device	System	Model	Rate	Created On

- ❖ The user can access the AMC Rate screen by selecting the "AMC Rate" option within the Transaction menu, located under the IT AMC menu.
- ❖ AMC Rate list will come based on the selected AMC year and Vendor (1).
- ❖ To Export date, click on the "Export" button (3).
- ❖ The user can download a sample file format by clicking on the "Sample File" button (4).
- ❖ To upload a file, the user should click on the "Import AMC Rate" button (5). To upload a file, the user should click on the "Select File" field and then click the "Save" button.
- ❖ If the file contains any errors, an error log file will be generated, detailing the fields and their respective errors. The user can correct these issues and re-upload the file.
- ❖ Once the file is successfully imported, the AMC Rate will be listed on the AMC Rate List page.
- ❖ To add a record, click the "Add AMC Rate" button(6).
- ❖ To edit a record, click the "Edit" button(7).
- ❖ To view a record, click the "View" button(8).
- ❖ To delete a record, click the "Delete" button(9).
- ❖ To Update AMC rate in Hardware click on Update AMC Rate button.

11.16 Add AMC Rate Screen:

The screenshot shows the 'Add AMC Rate' screen. At the top right, there is a button labeled '+ Add AMC Rate' (1). A modal form titled 'Add AMC Rate' (2) is open in the center. The modal contains the following fields:

- AMC Year: 2024
- Vendor*: Select AMC Vendor
- Device*: Select Device Code
- System*: Select System Code
- Model*: Select Model Code
- Rate*: (empty)

At the bottom right of the modal, there are two buttons: 'Cancel' and 'Add' (3). The background shows a table of existing AMC rates with columns for Rate, Created On, and a trash icon.

Rate	Created On
900.00	31/05/2024
900.00	31/05/2024
900.00	31/05/2024
1000.00	31/05/2024
1000.00	31/05/2024
250.00	31/05/2024
3500.00	31/05/2024

- ❖ The user will be redirected to the "Add AMC Rate" page by clicking the "Add AMC Rate" button on the AMC Rate List page.
- ❖ The user must provide all required information.
- ❖ The System will be populated based on the selected Device, and the Model will be populated based on the selected Device and System.
- ❖ Click on the "Save" button to submit the data.

11.17 Generate AMC Bill List Screen:

The screenshot displays the 'Generate AMC Bill' screen in the KRIBHCO system. The sidebar on the left shows the navigation menu with 'IT AMC' and 'AMC Bill' highlighted. The main content area features a table of AMC bills. The table has columns for Status, Process Id, Process Date, Vendor, Ownership, AMC Year, Start Date, and End Date. A 'Generate AMC Bill' button is located in the top right corner. Numbered callouts 1-6 indicate key actions: 1. Generate AMC Bill button, 2. Edit button, 3. View button, 4. Export button, 5. Delete button, 6. View AMC Process button for a 'WIP' record.

Status	Process Id	Process Date	Vendor	Ownership	AMC Year	Start Date	End Date
Completed	411	31/05/2024	Vendor 1	KRIBHCO	2024	01/04/2023	30/06/2023
Completed	410	31/05/2024	Vendor 1	KRIBHCO	2024	01/04/2024	30/06/2024
WIP	409	31/05/2024	PARTH SERVICES	KRIBHCO	2024	01/01/2023	31/05/2024
Completed	408	31/05/2024	SILVER TOUCH TECH.	KRIBHCO	2024	01/01/2023	31/05/2024
Completed	407	31/05/2024	Vendor 1	KRIBHCO	2024	01/01/2024	31/05/2024
Completed	406	31/05/2024	Vendor 1	KRIBHCO	2024	01/05/2024	31/05/2024
Completed	405	31/05/2024	SILVER TOUCH TECH.	KRIBHCO	2024	01/05/2024	31/05/2024
Completed	404	31/05/2024	SILVER TOUCH TECH.	KRIBHCO	2024	01/03/2024	31/05/2024

- ❖ Users can access the Generate AMC Bill screen by selecting the "AMC Bill" option from the Transaction menu under the IT AMC section.
- ❖ To generate an AMC bill, click the "Generate AMC Bill" button (1).
- ❖ To edit a record, click the "Edit" button (2).
- ❖ To view a record, click the "View" button (3).
- ❖ To generate an invoice, click the "Export" button (4).
- ❖ To delete a record, click the "Delete" button (5).
- ❖ If the AMC process is in "WIP" and want to generate an AMC bill again, click the "View AMC Process" button (6).

11.18 Generate AMC Bill Screen:

The screenshot shows the 'Generate AMC Bill' screen. A modal window is open for generating a bill. The modal has a title 'Generate AMC Bill' and a close button. It contains fields for 'Process Date' (22/08/2024), 'AMC Year' (2024), 'Period From*', 'Period To*', 'Vendor*' (V34000 - Vendor 1), 'Ownership*' (Select Ownership), and 'Remarks'. At the bottom are 'Cancel' and 'Save' buttons. A red box highlights the 'Generate AMC Bill' button in the top right corner of the page. Another red box highlights the modal window. A third red box highlights the 'Save' button in the modal. A red number '1' points to the top right button, '2' points to the modal title, and '3' points to the 'Save' button.

- ❖ The user will be redirected to the "Generate AMC Bill" page by clicking the "Generate AMC Bill" button on the AMC Bill List page.
- ❖ The user must provide all required information.
- ❖ The AMC Bill will be generated based on the selected AMC year, Period From Date, Period To Date, Vendor, and Ownership.
- ❖ Click the "Save" button to generate the bill.
